

## Figure 1. Distribution of SDG indicators by disaggregation

Source: 2017 ADB-UN ESCAP Survey

**Notes:** (i) SEX = Sex and gender; AGE = Age; LOC = Location or spatial disaggregation (e.g. by metropolitan areas, urban/ rural, or districts); DIS = Disability status; EIS = Ethnicity and indigenous status ; and MIG = Migration status. (ii) Percentages in red for each goal represent average of “with disaggregation” responses to the total responses at the indicator level.
